>> Moolah Temple Grand Opening

After sitting idle for decades, the Moolah Temple on Lindell has been revitalized and reopened, replete with 42 luxury lofts, bowling alley, 400-person movie theater and grill. The debut of the new Moolah occurred on January 20. The building was developed by Amrit and Amy Gill of Restoration St. Louis. The architect: Trivers Associates. The model apartments (open for viewing) were decorated by The Lawrence Group Colors, with furnishings from its store, Niche.
